Minority Association of Pre-Medical Students

Welcome to the pre-medical section of the Student National Medical Association (SNMA), representing future underrepresented minority medical students.

The purpose of MAPS is to provide underrepresented pre-med students with knowledge, skills, and experience that will improve minority matriculation into all professional health related programs, with an emphasis on medicine.

Look forward to:
• Professional and pre-professional conferences
• Community service opportunities
• Exposure to the health professions through mentoring and shadowing opportunities
• Interaction with SNMA Medical School Chapter in the area
• And more!
