Kaplan and MHCP are working together to provide a fee reduction for MCAT, DAT, OAT and PCAT review courses. Students registered with MHCP who meet eligibility criteria based on financial aid need may qualify for these reduced fees:

- MCAT: $1250
- DAT/ OAT/ PCAT: $950
- GRE: $750

*This is an exclusive and limited time offer.*

**TO QUALIFY:** You must have a minimum GPA of 3.25. Also, you must have a demonstrated financial need and qualify for Federal financial aid. If you are interested, please contact mhcp@ucr.edu by January 11, 2010. We will work with the financial aid office to determine which students will qualify for the reduced fees.

The classes will be taught by regular Kaplan instructors. Availability and course start dates will depend on interest level and the responses we receive.

**ALSO, IF YOU RECEIVE FULL FINANCIAL AID, PLEASE CONSIDER APPLYING FOR KAPLAN’S TUITION ASSISTANCE PROGRAM.** The program discounts the retail course tuition for a student based on the student’s level of federal financial aid. The discount percentage is equal to half of the federal student aid amount (for example, a student receiving 100% financial aid, as reported on their FAFSA, would receive a 50% reduction on their course tuition). The average cost of a Kaplan MCAT course is $1899.
