- Fees are less than one-fourth those charged by Kaplan and other companies.
- All workshops led by professional staff members with advanced degrees, not college seniors or recent graduates.
- Seminars provide regular evaluations of your writings by an experienced college English instructor, a service no other program provides.
- Students who cannot attend the pretest may arrange to take it at a time of their choice.

Space is limited, so interested students should sign up online for seminars at http://www.learningcenter.ucr.edu/bsu/gre/gre.html as soon as possible!
